

LABOR and EDUCATION

IN THE PULPIT

“Don’t be cruel to any of these little ones. I promise you their angels are always with my Father in Heaven.”

MATTHEW 18:10-11
CONTEMPORARY ENGLISH VERSION

Detroit’s schools and children are **UNDER ATTACK**

Under cover of darkness, Michigan House Republicans pushed through legislation that would destroy Detroit’s neighborhood public schools. More than 47,000 children and their families depend on our public schools to provide a path to opportunity.

This horrible legislation is a cruel attack on Detroit’s children and educators.

It’s up to us to build support among parents and community allies to get them to contact lawmakers and urge them to oppose the House legislation.

Labor & Education in the Pulpit is an opportunity to educate and mobilize education stakeholders in our community—parents, citizens and faith groups—around the importance of public schools in our city.
