ARTICLE 3 - UNION MEMBERSHIP AND AGENCY SHOP FEES

A. Requirement of Membership in Union or Payment of Agency Shop Service Fees

All employees employed in the bargaining unit, or who become employees in the bargaining unit, who are not already members of the Union, shall, within thirty (30) days of the date of hire or transfer into the bargaining unit (as to future employees), become members, or in the alternative, shall, within thirty (30) days of their date of hire by the District, as a continuing condition of employment, pay to the Union a bi-weekly service fee as indicated by the Union.

The District shall be notified, in writing, by the Union of any employee who is thirty (30) days in arrears in payment of membership dues or service fees. The District upon receiving a signed statement from the Union indicating that the employee has failed to comply with this condition shall immediately notify said employee that his/her services shall be discontinued at the end of thirty (30) days and shall dismiss said employee accordingly.

An employee who shall tender, authorize the deduction of, or have automatically deducted, membership dues or service fees, shall be deemed to meet the conditions of this Article so long as the employee is not more than thirty (30) days in arrears of payment of such dues (or fees).

Dues Check-off for Current Employees

Check-off authorization for Union dues or service fees executed prior to this agreement shall remain in full force and effect. Pursuant to such authorization, the District shall deduct from the pay of each employee who has authorized it to do so, the required amount for the payment of Union dues or service fees.

Checked-off dues or fees, accompanied by a list of employees from whom they have been deducted, and the amount deducted from each, and by a list of employees who had authorized such deduction and from whom no deduction was made, and the reason therefor, shall be forwarded to the Union office no later than thirty (30) days after such deductions were made. To the extent the Union owes the District money for reimbursement of Union employees' salaries and benefits, the District shall have the right to deduct checked-off dues to offset such money owed. However, such offset shall not be made until sixty (60) days after the Union receives the invoice. If the Union presents a good-faith dispute regarding the amount of the bill, the offset will not include the amount for which a good faith dispute has been presented.

To the extent that the District owes the Union money for dues that have been withheld but not remitted, the Union shall have the right to deduct this amount from the amount the Union owes the District for reimbursement of Union employees' salaries and benefits. However, such offset shall not be made until sixty (60) days after the dues have been withheld. The District will have the same right to offset as provided to the Union in the above paragraph.

Bargaining unit members employed prior to the execution of this Agreement who have not authorized check-off, but instead tender dues or service fees directly to the Union, shall be entitled to continue to do so, provided, however, that dues or fees shall be paid semi-annually, in advance, directly to the Union, and not later than thirty (30) days after the employee's first work day each semester.

C. Automatic Dues Check-off for New Hires and Unit Members Returning from Leave

The District shall automatically deduct Union dues or service fees from each new member of the bargaining unit and/or bargaining unit members returning from leave. The District's obligation to begin said automatic deduction shall become effective in either the employee's first pay period (in the case of a unit member returning from leave, the first pay period upon his/her return), or thirty (30) days after the effective date of employment, or personnel action date, whichever is later.

New employees or employees returning from leave must submit in writing their desire to pay service fees rather than Union dues at the time of employment or return from leave.

D. Indemnification

The Union agrees that in the event of litigation against the District, its agents or employees arising out of this provision, the Union will co-defend and indemnify and hold harmless the District, its agents or employees for any monetary award arising out of such litigation.

E. If any provision of this Article is invalid under Federal or State law, said provision shall be modified to comply with the requirements of said Federal or State law.

ARTICLE 4 –UNION STEWARDS

The principal shall recognize the elected Union building representative as the official representative of the Union in the school.

In pursuance of his/her Union duties, the Union building representative shall not interfere with any teacher who is engaged in a regular class, a duty, a conference, or homeroom assignment.

The representative shall perform his/her duties as steward without interference with his/her own job functions or the job functions of other employees or the operation of the District. The representative shall not leave his/her job to conduct his/her duties as representative without first securing the permission of the immediate superior.

ARTICLE 5 - GRIEVANCE PROCEDURE

A. Grievance Definition

A grievance is a complaint that there has been a violation, misinterpretation or misapplication of any provision of this Agreement.

B. Grievance Procedure

Grievances shall be presented or adjusted in accordance with the following procedure:

The teacher may first discuss the matter with the principal, directly or accompanied by the Union building representative, with the objective of resolving the matter informally.

STEP 1. In the event the matter is not resolved informally, the alleged violation, stated in writing, may be lodged with or submitted as a grievance to the principal of the school in which the grievance arises within a reasonable time following the act or condition which is the basis of the grievance.

Grievances shall be submitted within twenty (20) calendar days from the time an event took place or within twenty (20) calendar days from the date it is reasonable to assume that the Union and/or the individual first became aware of the conditions giving rise to the grievance.

Within fourteen (14) calendar days after receiving the grievance, the principal, shall state his/her decision in writing, together with the supporting reasons, and shall furnish one (1) copy to the teacher, if any, who lodged the grievance, and one (1) copy to the Union representative.

STEP 2. Appeal to the Emergency Manager (or designee), or in the event the District's financial emergency is resolved, the Superintendent or CEO (or designee): Within fourteen (14) calendar days after receipt of the decision of the applicable unit head, the Union may appeal to the Emergency Manager (or designee), or in the event the District's financial emergency is resolved, the Superintendent or CEO (or designee) (through the Office of Labor Relations) the decision rendered by the applicable unit head. The appeal shall be in writing and shall set forth specifically the act, condition, and the grounds on which the appeal is based and shall include a copy of the grievance and all decisions rendered. A copy of the appeal shall be sent to the applicable unit head.

The Emergency Manager (or designee), or in the event the District's financial emergency is resolved, the Superintendent or CEO (or designee) shall meet with the parties concerned within fourteen (14) calendar days after receipt of the appeal request. Within twenty-one (21) calendar days after the Step 2 Grievance hearing, the Emergency Manager (or designee), or in the event the District's financial emergency is resolved, the Superintendent or CEO (or designee) shall render a written decision which shall be forwarded to the Union, and the applicable unit head.

STEP 3. The Union may within thirty (30) calendar days submit any grievance under this agreement to arbitration at the equal expense of the parties. The Union shall have exclusive authority in its discretion as to whether to appeal any grievance to arbitration. The parties will mutually agree on an arbitrator to hear and decide the grievance. If the parties are unable to agree upon an arbitrator within seven (7) working days of notice to arbitrate, the party demanding arbitration shall refer the matter to either Michigan Employment Relations Commission or American Arbitration Association upon mutual agreement of the parties, which shall submit a list to the parties for the selection of an arbitrator. Unless mutually agreed to by the parties, the case will be heard by the arbitrator within ninety (90) days after the grievance is moved to arbitration. The arbitrator shall issue a written decision no later than thirty (30) days following the submission of each parties' counsel's brief to the arbitrator. The arbitrator shall not have the jurisdiction to add to, subtract from, or modify any of the terms of this Agreement, or to substitute at his/her discretion for that of any of the parties hereto. The arbitrator's decision will be final and binding on the parties.

Mediation

As an alternative to arbitration and after the completion of Step 2 in the grievance procedure, the parties may jointly agree to submit a grievance to mediation through the procedures of the Michigan Employment Relations Commission. If the parties so agree, then the time limits in this grievance procedure shall be held in abeyance unless and until the parties are unable, or unwilling to resolve the grievance through the mediation process. The parties acknowledge that mediation is a voluntary, confidential non-binding process designed to facilitate a mutually acceptable resolution to a dispute.

C. General

1. In all steps of the grievance procedure, when it becomes necessary for grievant to be involved during school hours, they shall be excused with pay for that purpose.

2. If a grievance arises from the action of authority higher than the principal of the school, the Union may present such grievance at Step 2.
3. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits will permit lodging an appeal at the next step of this procedure within the time allotted had the decision been given absent extenuating circumstances. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.

Implementation of One Time Salary and Wage Bonus

The trigger for implementation of a one-time bonus is a reduction of the General Fund deficit by an amount that exceeds the reduction in the General Fund deficit provided for in the District's Michigan Department of Education approved Deficit Elimination Plan. This reduction in the General Fund deficit is exclusive of any deficit reduction that may result from any debt refinancing and restructuring completed during each respective fiscal year.

Salary and Wage Bonus Computation

For each \$5 million of General Fund deficit reduction as provided for above, each employee will receive a 1% one-time salary and wage bonus. The maximum percentage bonus is five percent (5%) of an employee's base salary earned for the respective bonus year. The amount of any bonus will be calculated based on the District's audited financial statements for the respective fiscal year ended. The bonus would be paid in December following the completion of the audit of the District's financial statements for the respective fiscal year ended. An employee would be required to be employed by the District during the fiscal year in which the bonus was based and must be an employee of the District as of November 15, following the end of the bonus fiscal year. The results of the District's audited financial statements for the respective fiscal year are final. This bonus provision applies to the 2013-2014, 2014-2015 and 2015-2016 fiscal years only.

B. Step Increases

There will be no annual increments for step increases for the duration of this Agreement for all District employees covered by this Agreement.

Restoration of sick leave in this manner shall continue until all the sick days have been restored.

2. Outside Teaching Experience

Newly hired teachers will be allowed credit on the salary schedule for up to two (2) years of outside teaching experience. Credit is granted only if at the time the teaching service was rendered the teacher met the present District minimum requirements for contract status.

6. Full Year Service Credit Requirement

Not less than one (1) full year of verified experience is creditable on the District salary schedule. Partial school-year or part-time service is not applicable.

F. Advanced Degree Salary Differential

The effective date of the salary differential shall be the Monday of the first full pay period following the date of the degree provided the official transcript(s) and request for salary differential are both received within a six (6) month period following the date of degree and the degree or coursework was completed at an institution accredited by the North Central Association of Colleges and Secondary Schools or equivalent accrediting agency.

When the official transcript(s) or request for salary differential are received later than six (6) months following the date of degree, the effective date of the salary differential shall be the Monday of the first full pay period following receipt of both the request and transcripts.

I. Salary Variations

An attendance agent who attains classroom teacher qualification while employed by the District may apply for and will be considered for promotion to a position of classroom teacher at the salary level which is closest to but not less than the salary he/she had been receiving as an attendance agent.

Twelve (12) month employees shall accrue vacation days at the rate of .847 day per pay period for a maximum of twenty-two (22) days per year.

Adult education teachers and coordinators shall be paid the workshop rate for orientation days. Adult education teachers and coordinators shall be paid for all regular school holidays if the individuals would have been scheduled to work on said holidays.

They shall be paid at their regular rate for the number of hours they would have worked.

J. Mileage

All unit members who are directed to use their own vehicles during regular working hours will qualify for mileage reimbursement.

The mileage rate for a maximum of 700 miles per calendar month per employee shall reflect the rate that is used by the IRS for tax purposes. Teachers shall receive mileage reimbursement when traveling between locations to teach classes during the same day.

JROTC instructors shall receive the standard mileage stipend for traveling to and from authorized activities.

K. Pay Schedules

All regular school year salaried employees will be paid on a twenty-two (22) pay frequency schedule, unless the District determines, in its discretion, to offer an

employee an opportunity to elect the twenty-six (26) pay frequency schedule. All salaried DFT members whose normal schedule is longer than the regular school year will be paid on the twenty-six (26) pay frequency schedule.

Each unit member will receive an application card, including their choice of twenty-six (26) or twenty-two (22) pays, by April 1st.

If the opportunity to elect a twenty-six (26) pay frequency schedule is offered by the District:

Each unit member will make his/her selection and return this card to the Office of Payroll no later than May 31st.

If no selection is made by a unit member by the deadline date, they will automatically be placed in the twenty-two (22) pay category. Once a selection is made, the unit member will receive his/her pay for the entire school year in the schedule selected (twenty-six [26] or twenty-two [22] pays) for the entire school year.

In connection with modifications to the pay frequency schedule, it will be the sole responsibility of each unit member to make any and all changes to voluntary deductions (e.g. tax shelter annuities and credit union) or those mandated by a court (e.g. child support and wage garnishments) prior to the beginning of each school year. If no change is made, the voluntary and involuntary deduction will continue to be withdrawn for each paycheck as they were during the prior year.

The index, or composite of indices, will be used to measure whether the percentage cost increase in a health insurance plan year exceeds health insurance rate of inflation by ten percent (10%) or more or by another percent level mutually agreed by the District and the Union.

1. Family and Medical Leave Act

For eligible employees (one year of service and 1,250 hours worked in past 12 months), maternity leaves shall be governed by the Family and Medical Leave Act ("FMLA") of 1993. Under the FMLA, eligible employees are allowed up to 12 weeks (in a rolling 12 month period) of job and benefit protected leave.

The Family and Medical Leave Act ("FMLA") governs all medical leaves.

2. Accumulation and Carryover of Sick Days

Sick leave for regular school year teachers will accrue in a single bank with a limit of 200 days. Sick leave for regular school year teachers shall be earned as follows:

- Year one (1) – ten (10) sick days
- Years two (2) and beyond – twelve (12) sick days

Hourly-rated employees will accrue sick leave at the rate of one hour for every twenty-five (25) hours worked and will be provided a biweekly sick bank account on their pay advice for the hours they have accumulated. Provision of utilization of sick leave shall be the same as those of contract teachers.

a. Catastrophe Bank

When an employee's sick leave bank has reached the current allowable maximum as set forth in this Agreement, there shall be established a "Catastrophe Bank" into which all days over the maximum shall be placed. When an employee has used all days accumulated in his/her sick bank for an illness/disability extending more than six months, he/she may draw from the Catastrophe Bank to the extent he/she has made contribution to said bank. (The District may require medical evidence of illness/disability.)

If a teacher is unable to work as a result of a compensable injury, the teacher may utilize Catastrophe Bank sick leave days to maintain regular gross earnings without affecting the teacher's regular sick leave bank.

Catastrophe Bank sick leave days shall not be paid out upon separation from the District.

b. Reclassification to DFT Bargaining Unit

Teachers who left the Union, and without a break in District service thereafter returned to the Union, may be entitled to use days currently earned and accrued in their sick bank.

c. Sick Leave Donation

The Sick Leave Donation Policy agreed to by the parties in a Letter of Agreement dated May 19, 2010 shall remain in effect for the duration of this agreement.

3. Absences Chargeable to Sick Leave

Absences due to causes listed below may be charged as specified to sick leave. Absence in excess of available sick leave days or for reasons other than those specified will result in loss of pay.

a. Personal Illness

All absences due to illness of employee may be charged to sick leave until the sick leave bank is exhausted.

b. Funeral Leave

Absence due to death of a member of the immediate family may be charged to sick leave up to five (5) scheduled working days as necessary for each death. All funeral leave days must be taken within seven (7) consecutive calendar days of the day of death. Included in immediate family membership:

Husband, wife, children, father, mother, father-in-law, mother-in-law, grand-father, grandmother, brothers, sisters, and any other relative or non-relative living and making his/her home in the household of the employee.

c. Personal Business

Personal business, not to exceed two (2) days in any calendar year, may be charged to sick leave without loss of pay.

d. Emergency School Closures

The sick bank or vacation bank where applicable shall be charged against teachers who were scheduled to be absent on those day(s) their schools are closed due to an emergency.

4. Special Circumstance Absences Not to be Charged to Sick Bank

a. Childhood Diseases

The sick leave bank shall not be charged for necessary absences up to five (5) days resulting from the following childhood diseases: chickenpox, conjunctivitis, measles, mumps, diphtheria, whooping cough, impetigo. In addition, the sick leave bank shall not be charged for three (3) days of absence for classroom teachers who contract head lice or ringworm on the job. The statement of a licensed physician shall be required as proof of the cause for each day of absence.

5. Purpose and Use

Sick leave provisions are designed exclusively for absences caused by illness injury, or as otherwise outlined in this Agreement. The District will investigate suspected instances of abuse of sick leave. In connection with its ability to investigate, the District shall have the right to require a doctor's note for any absence from work.

The District may implement a schedule of discipline based upon suspected abuse of the sick bank by any unit member pursuant to District policy.

6. Notification of Sick Leave Absence and Return

- A. When it is necessary to be absent, the teacher should notify the school office or the person designated at the time established by the school. The school office should be informed of an expected absence early enough to be able to have the substitute teacher arrive before the opening of the school day. The absent teacher must report to the District's attendance program and notify the schools by 2:30 p.m. of the day preceding his/her return.

Employees able to anticipate non-illness absence chargeable to sick leave must make application in advance on a form provided by the District for such purpose.

B. Attendance Review

Excessive Use of Sick Leave — Any employee who uses five (5) or more days of unapproved or non-exempt sick leave in a school year will be determined to have used an excessive amount of sick leave.

Abuse or Capricious Use of Sick Leave — This is a pattern of poor attendance. Examples include but are not limited to:

- Each month earning a sick leave day and using the sick leave day with no sick leave hours or a small amount of sick leave hours in the bank.
- Frequent use of sick leave days on Monday, Friday, or in conjunction with other days off.
- Excessive use of sick leave.

Where an excessive use of sick leave or abuse of sick leave as defined above exists the employee shall be notified by letter at a meeting with the employee's principal or supervisor that he/she is being placed on a six-month attendance review period and the letter shall be a written record of an oral reprimand. During the attendance review

period a medical certificate must be provided for any use of sick leave. Where the attendance problem persists, the employee will be subject to an extended attendance review period and/or appropriate discipline up to and including termination.

C. Prolonged Illness

An employee may be granted a leave of absence for prolonged illness not to exceed one year and subject to applicable state and federal law and District policy.

D. Medical Examinations

If a regular school year employee is absent for illness on the first day of the work schedule in the school year, the illness must be confirmed by the Medical Office, or a written request for approval from the employee must be approved by the Division of Human Resources. This applies to absence for one (1) or more days. Approval by the Medical Office requires employee's attending physician to complete a form provided by the District for such purpose and return to the Medical Office.

An employee not able to return to work following four (4) consecutive days of absence for personal illness may, at the District's discretion, have a medical examination by the District's designated physician. The medical examination shall be restricted to the employee's stated reason(s) for the illness absence.

After four (4) consecutive work days of sick leave, a teacher must furnish a statement from his/her physician on a form provided by the District in order to secure his/her next pay check.

Employees who remain on extended sick leave may be asked to have a medical examination by the District's designated physician during the period they are absent after continued absence beyond two (2) consecutive pay periods. Such examinations are required when sufficient evidence of continued illness is not obtainable by other means.

Human Resources may require a medical examination by the District's designated physician for an employee at any time when the maintenance of minimum health standards in a school or department is in question. An employee returning from a leave of absence may, at the District's discretion, have a medical examination by the District's designated physician. A form provided by the District for such purpose, from the employee's personal physician, is required for return from leave of absence for illness.

An employee who has been ill with a communicable disease must have a medical examination and release by the District's designated physician.

E. Workers' Compensation

The District shall provide Workers' Compensation insurance for all employees covered by this Agreement in compliance with the laws of the State of Michigan.

An employee will maintain employment for a maximum period of one (1) year from the date of injury while receiving workers' compensation benefits. An employee will continue to receive health insurance and life insurance benefits during the above referenced one (1) year employment period as long as he continues to receive workers' compensation for that one year period. Upon termination from employment with the District, all benefits will end (workers' compensation will apply as provided by the laws of the State of Michigan).

F. Maternity Leaves

For eligible employees (one year of service and 1,250 hours worked in past 12 months), maternity leaves shall be governed by the Family and Medical Leave Act ("FMLA") of 1993. Under the FMLA, eligible employees are allowed up to 12 weeks (in a rolling 12 month period) of job and benefit protected leave.

ARTICLE 11 – OTHER LEAVES

A. General

The Family and Medical Leave Act governs all medical leaves.

Upon written request, the District may grant a leave of absence for a period not to exceed one (1) year. Requests warranting special consideration beyond the one (1) year limitation may be granted at the discretion of the District.

B. Military Leaves

An employee entering any of the armed services or reserves of the United States will be granted a leave without pay for any leave covered by the Uniform Services Employment and Reemployment Rights Act when enrolled and assigned to active duty.

The re-employment rights of employees returning from a military leave will be equal to applicable laws and regulations.

C. Study Leaves

Study leaves shall be granted according to District policy.

D. Professional Service Leaves

Personal service leaves may be granted for elected or appointed service with the Detroit Federation of Teachers, the AFT Michigan, the American Federation of Teachers, or the AFL-CIO, only. Such a leave shall be without pay and shall be renewable annually upon written request of the employee. The teacher's seniority and experience credit shall accrue subject to applicable law.

E. Jury Duty

A teacher who serves on jury duty will be granted leave of absence. The teacher will be reimbursed for the difference between jury duty pay and his/her District salary for the days served. When the teacher is excused from jury duty for a half (1/2) day or more, he/she must notify his/her administrator immediately and report to his/her school or work location for a suitable assignment. Reimbursements will be granted after submitting a form provided by the District for such purpose and official proof of the number of days served to Human Resources. Teachers, when summoned to jury duty, should respond to such summons as directed.

F. Sabbatical Leaves

A contract teacher may apply for a year of sabbatical leave after seven (7) years of continuous or ten (10) years of non-continuous service, three (3) years of which shall immediately precede his/her application.

G. Leaves for Exchange Teaching

A teacher may qualify for a year of exchange teaching if he/she has taught for the District for at least five (5) consecutive years and can meet certain other conditions prescribed by the District.

H. Return from Leave

While leaves of absence are granted for definite periods, a return from leave before the end of the specified period may be effected pursuant to District policy, provided the employee requests to return, a vacancy for which he/she is qualified is available, and the assignment is in accordance with the requirements of the FMLA (when applicable).

An employee is required to notify Human Resources in writing at least two (2) months preceding the expiration date of a leave of his/her wish to return, request an extension, or resign.

An employee returning from a leave of absence may be required to have the approval of the District's designated physician prior to reporting to his/her assignment and may be required to furnish a chest x-ray report.

The School District of the City of Detroit ("District") and the Detroit Federation of Teachers, Local 231 ("Union") hereby revise the language of the Termination Incentive Plan as previously written in the tentative agreement of December 3, 2009 to reflect the intent and implementation of the Termination Incentive Plan since January 12, 2010 as follows:

Termination Incentive Plan

Beginning January 12, 2010 and ending with the fourth (4th) pay of the 2011-2012 school year (for a total of 40 payments), all salaried members of the bargaining unit (except assistant attendance officers, accompanists and members who work less than .50 FTE) shall have their pay reduced by \$250 per pay. (For members on the 26-pay schedule, the reduction will not be made for the four (4) checks for pay periods numbered 23-26). DONATION OF SICK DAYS POLICY

By their representatives' signatures below, the parties agree to abide by the following procedures for establishment of a policy for donation of sick leave days for members of the Detroit Federation of Teachers (DFT) bargaining unit.

The purpose of the Donation of Sick Days Policy is to alleviate financial hardship caused to regular DFT members who are unable to work because of a catastrophic illness or injury.

DEFINITIONS

Catastrophic illness or injury – An illness/injury which would be expected to render the individual totally disabled and under treatment for at least six (6) months or possibly for life. The following will be considered catastrophic: Severe trauma, including spinal cord or brain injury; burns; amputations or any illness requiring at least six (6) months of total disability and active medical treatment.

DFT – The Detroit Federation of Teachers.

District – The Detroit Public Schools.

Donor – The person who donates their sick days to another DFT member.

Donee – The person with a catastrophic illness or injury who receives and utilizes the days donated by DFT members.

Leave – The current leave policy is for employees to receive up to one year.

Maximum – The Donee may receive up to one hundred (100) days.

EFFECTIVE DATE

The effective date of this policy is May 1, 2010. Applications for donated sick days will not be approved retroactively except for applications received by May 28, 2010. Under no circumstances shall a Donee receive sick days retroactive beyond May 1, 2010. For applications received after May 28, 2010, a Donee may receive sick days retroactive to the date of application only. The donation period is per school fiscal year.

DURATION

Prior to the expiration of the parties 2009 – 2012 collective bargaining agreement, the parties will meet to discuss the continuation of the Donation of Sick Days Policy. The continuation of the Donation of Sick Days Policy will be contingent upon the feasibility and efficiency of the policy and the fiscal condition of the District.

ELIGIBILITY

In order for a DFT member to receive a donation of sick days, the member's sick (including catastrophe bank), vacation and personal days must be exhausted. Only DFT members are eligible to donate or receive donated sick days. Employees from another bargaining unit or non-unionized employees cannot receive or donate days to a DFT member. Sick days can be donated from a member's sick bank to a fellow DFT member if that DFT member is suffering from a catastrophic illness or injury ("Donee") and he/she has utilized all of his/her sick days (including catastrophe bank). DFT members are not eligible to receive donated days for a spouse, child, or other relative who is suffering from a catastrophic illness. A DFT member may not donate from his/her catastrophe bank to another employee.

DFT members with at least one (1) year seniority who have no days in their sick bank are eligible to receive donated days from other members, subject to the following provisions:

- i. The first fifteen (15) calendar days of an illness or disability will not be covered by donated days, but must be covered by the person's own accumulated sick days or absence without pay.
- ii. Members who do not have days of sick leave to use will be placed on unpaid medical leave until the fifteen (15) calendar day waiting period is exhausted and the request is approved. A subsequent absence within a one (1) year period for the same illness or injury shall not be subject to a second fifteen (15) calendar day waiting period.
- iii. Each Donee may receive up to a maximum donation of one hundred (100) consecutive paid days for each fiscal year.
- iv. Donated days will be added to a Donee's individual sick bank. The days will be used to maintain the Donee's gross pay. *Health Care Benefits shall be maintained or reinstated for a Donee who has been approved for and received donated sick days until such days have been exhausted pursuant to the terms of this policy.*
- v. Donated days that are unused will not be returned to the Donor. The donated days are irrevocable. Donee cannot receive cash-out of donated days at time of retirement, resignation, lay-off, death, or termination (with or without cause).
- vi. If the Donee applies and receives social security disability, the receipt of any social security benefits will offset the pay received from the donated sick days.

(Rev. 5/19/2010 vers. 8)

vii. If the Donee's sick leave bank becomes exhausted, an additional donation will be required to continue his/her eligibility. The Donee must submit an additional application in order to receive additional days.

viii. The days donated to the Donee will be forfeited to the District when the Donee returns to work, upon retirement, resignation, lay-off, death, or termination (with or without cause).

APPLICATION

The Donee must exhaust all leave banks prior to applying for donated sick days. A member wishing to have days donated to his/her sick bank must complete an online application provided by the District to document eligibility. The application must be submitted to Employee Health Services.

The form will include a provision for reasonable proof of disability/illness, a detailed diagnosis, current treatment plan, anticipated duration of incapacitation, disability period and number of days requested. The District will only accept donations for the number of days indicated by the disability period. Those days will be added to the employee's sick bank. The Donor's donation is irrevocable. If the employee is unable to return to work when the donated days have been exhausted, additional donations can be requested subject to the above limits.

The District will provide the name and the location of the DFT member (Donee) and that the individual who is requesting donated days is suffering from a catastrophic illness.

The application for donated sick leave days by a DFT member does not guarantee the receipt of donated sick leave days.

Donor can only donate accrued sick leave days to another DFT member.

Donee, upon receipt of sick leave days, will be subject to the Termination Incentive Plan ("TIP") pursuant to the language in the parties' collective bargaining agreement.

EXCLUSIONS

1. Donor cannot donate sick days prior to 60 days of their retirement.
2. Donee cannot use donated sick days during lay-off. Upon the effective lay-off date, a Donee will forfeit days that were donated unless the Donee is recalled within one hundred (100) days of the date of his/her lay-off notice. Upon recall, the donated days will be restored to the Donee's bank (so long as the Donee remains eligible for the sick days).
3. Donor will forfeit days that are donated upon the Donor's effective lay-off date and the days cannot be utilized by a Donee.

4. Donee will not accrue sick leave while receiving donated sick days due to catastrophic illness/injury.

5. The following disabilities (not an all inclusive list) are excluded from utilization of the Sick Leave Bank:

- a. Intentionally self-inflicted injury while sane;
- b. alcoholism or narcotics and drug addiction unless such drugs were administered on the advice of a physician
- c. commission of a felony
- d. elective or cosmetic surgery
- e. accident or sickness arising out of and in the course of any occupation (workers' compensation injury)

6. There is a three year limit on the amount of time that a member may receive days from the District for any one illness. In addition, this policy is not meant to extend the parties' contractually agreed upon leave period as defined in the parties' collective bargaining agreement. Therefore, the maximum allowance for all purposes for an individual to receive donated days for a leave period shall be one year not to exceed three (3) consecutive years (three year time period is at the discretion of the District).

7. DFT members who are receiving or eligible to receive workers compensation will not be eligible to apply for donated sick leave. Donee will not be able to supplement her/his workers compensation pay with donated sick leave days.

Class Size Limitations

By their representatives' signatures below, the parties agree to amend Article 20 of the July 1, 2009 to June 30, 2012 Collective Bargaining Agreement between the School District of the City of Detroit and the Detroit Federation of Teachers effective for the 2010-2011 school year as follows:

WHEREAS, the School District of the City of Detroit ("District") and the Detroit Federation of Teachers, Local 231 ("Union") share the common goal of providing the best possible education for all children;

WHEREAS, the District is experiencing unprecedented budget shortfalls at a time when it seeks to provide innovative academic programs to its most at risk students in Grades K-12;

WHEREAS, the District, in concert with the Union, continuously seeks the opportunity to maximize and leverage the use of funds from all sources, including federal sources;

WHEREAS, the District will attempt to reduce class size based on available and eligible funding and subject to the availability of supplemental funding, and in accordance with state and federal guidelines for utilization of such funding, first priority for use of the identified supplemental funds shall be for the reduction of class size;

WHEREAS, additional agreements are necessary to effectuate the aforementioned outcomes;

THEREFORE, this Letter of Agreement ("Agreement") is made by and between the District and the Union for the purpose of amending the contract provisions that govern class size limitations as follows:

1. Grades K-3

The District will commit to limiting class size for grades kindergarten through three (3) to between twenty (20) and forty (40) students. For grades kindergarten through three (3), classes shall be organized for the fall and for the spring semesters at a level sufficiently below forty (40) so as to provide a reasonable expectation that school population shifts will not result in class sizes exceeding the mandatory limit of forty (40) students.

2. Grades 4-5

The District will commit to limiting class size for grades four (4) and five (5) to forty-five (45) students. For grades four (4) through five (5), classes shall be organized for the fall and for the spring semesters at a level sufficiently below forty-five (45) so as to provide a reasonable expectation that school population shifts will not result in class sizes exceeding the mandatory limit of forty-five (45) students.

3. Grades 6-12

The District will commit to limiting class size for grades six (6) to twelve (12) to sixty (60) students with the following exceptions: band, choir, secondary physical education, and JROTC. Similar classes may, upon mutual agreement of the District and the Union, have

07/06/11/aa

other limits. For grades six (6) through twelve (12), classes shall be organized for the fall and for the spring semesters at a level sufficiently below sixty (60) so as to provide a reasonable expectation that school population shifts will not result in class sizes above sixty (60).

4. Alternative Schools

The class size limit for alternative schools shall be thirty-five (35) students per class.

Reorganization of Classes

1. Grades K-3

From and after the 4th Wednesday in the fall and the 2nd Wednesday in the spring semesters, if oversize classes in kindergarten through grade three (3) develop as a result of additional pupils entering the school or if classes above forty (40) are the result of inequitable school organization, classes shall be reorganized by the school administration within ten (10) days with provision for additional teacher service, extra assistance and/or other types of relief so that no class exceeds the maximums.

2. Grades 4-5

From and after the 4th Wednesday in the fall and the 2nd Wednesday in the spring semesters, if oversize classes in grades four (4) through five (5) develop as a result of additional pupils entering the school or if classes above forty-five (45) are the result of inequitable school organization, classes shall be reorganized by the school administration within ten (10) days with provision for additional teacher service, extra assistance and/or other types of relief so that no class exceeds the maximums.

3. Grades 6-12

From and after the 4th Wednesday in the fall and the 2nd Wednesday in the spring semesters, if in spite of good faith efforts, oversize classes in grades six (6) through twelve (12) develop or if classes above sixty (60) are the result of inequitable school organization, classes shall be reorganized by the school administration within ten (10) school days with provision for additional teacher service, extra assistance and/or other types of relief so that no class exceeds the maximums.

Class Size Review Board

The CSRB shall have the power to investigate complaints from any teacher or from the Union concerning violations of class size maximums as stated above, or inequitable school organization which results in class sizes over forty (40) in kindergarten through grade three (3), forty-five (45) in grades four (4) through five (5) and sixty (60) in grades six (6) through twelve (12). Further, the CSRB shall have the power to act on its own motion; to select particular schools and particular classes in selected schools for review; to effectively recommend the priority and method of correcting any inequities found including provision for additional teacher service, extra assistance and/or other types of relief; and to recommend the use of specific State and/or Federal funds.
